

Beedi

Naa ghilaaf naa lihaaf
Naa ghilaaf naa lihaaf
Thandi hawa bhi khilaaf sasurri

*No sheet
Or even a blanket
Even the cold wind blows against us*

Itni sardi hai kisi ka lihaaf lei lay
Jaa padosi ke chulhe se aag lei lay
Jaa padosi ke chulhe se aag lei lay

*It's so cold, borrow someone's blanket
Go steal the fire from the neighbor's kitchen*

Beedi jalay ley jigar se piya
Jigar maa badi aag hai

*Light your beedi with my heart/spirit my love
A great fire burns in it*

Dhuan na nikaali oh labh se piya aa ah
Dhuan na nikaali oh labh se piya
Yeh duniya badi thaag hai

*Don't blow smoke from those lips my love
This world is cloudy*
