Chak De, Dholi ye

Bhangra Paane Aaye, Angrez Nirale  
Here come the weirdo foreigners to try bhangra

Jean Valaitee Paa Li, Pairon Mein Taale  
In their foreign Jeans and their feet stuck/frozen

Arre Git-Pit Git-Pit English, Yeh Jhoothi Shaanein  
With their borrowed English and fake snobbery

Disco Ke Deewane, Giddhe Kya Jaanein  
these disco lovers, what do they know of giddhe?

Na Boli, Na Bhasha, Dildaari Mein Hum Pasha  
Words cannot stop us, lectures cannot stop us, we are the champions  
of the heart

[Ajj Discowale Khisko Bhai Desi Beat Bajaani] - 3

Kudiyan Nachein Aise, Jaise Koi Firki  
Watch the girls move, like spinning tops

Dil Ke Bandd Darwaze, Bandd Hai Har Khidki  
With their hearts shut and minds closed

Phirtien Dekho Aise, Saj Dhaj Ke Veli  
All dressed up and nowhere to go

Mil Jaye Kitthon Rabba, Bhangre Mein Beli  
Hoping to find a partner in the bhangra

O Latt London, Hath Delhi, Aaya Hai Ban Ne Beli  
His leg points to London, his hand to Delhi, And he hopes to be my  
dancing partner
