

Dekha tujhe dekha maine hua main toh crazy  
*I took one look at you and went crazy*  
Tauba meri tauba meri kudi hai tu sexy  
*Oye-Oye my girl is so sexy*  
Aaja meri baahon mein tu aaja baby love me  
*Come into my arms, come baby, love me*  
Aa-aa aa-aa-aa...aa

Mujhe tu zaraa si haan is dil mein entry de de  
*Give me entry into your heart*  
Chhupa le yun mujhko na rahe koi exit  
Hide me so there's no exit

Hai love mera hit hit soniye  
*My love for you is the greatest (#1 hit), darling*  
Toh phir kaisi khit-pit soniye  
*So why do you fuss, darling*  
Tu baby badi fit fit, soniye  
*Oh baby you're the hottest, darling*  
Na kar aisi khit-pit, khit-pit  
*So don't ever fuss about it*

Take me high, You gonna please me  
There aint never ever gonna be another girl like me,

Boy--You gotta show me  
Just how much you wanna take me, I don't wanna hide  
Take me high

Ek bas tu hi meri pehli pehli arzoo hai  
*You're my first desire*  
Tu hi meri aakhri tamanna  
*And my ultimate wish*  
Naam bas tera mere dil pe likha hai  
*Your name is written in my heart*  
Meri aankhon mein basa hai tera sapna  
*Your dreams reside in my eyes*

Ghumana nazar mein  
*Don't just see me*  
Magar tu dil mein jagah de  
*But give me a place in your heart*

Tu jaane bahane  
*You may know excuses*  
Love koi jaane na limit  
*But love knows no limit*

CHORUS x2

Dekha tujhe dekha maine hua main toh crazy  
*I took one look at you and went crazy*  
Tauba meri tauba meri kudi hai tu sexy  
*Oye-Oye my girl is so sexy*  
Aaja meri baahon mein tu aaja baby love me  
*Come into my arms, come baby, love me*

*I'll never ever let you go:*  
*Hey boy if you wanna get to know me come here*  
*Hey boy lemme tell you what you really wanna hear*  
*Hey boy this way I'm gonna show you how its done*  
*Hey boy it's about time I wanna have some fun*

Jaanon mein toh jaanon teri baatein mithi mithi  
*Your words drip with sweetness*  
Par karoon kaise karoon main bharosa  
*But how can I trust them?*  
Badi muskil hai yeh, darta yeh dil hai yeh  
*I'm so confused and my heart is afraid*  
Ho na jaaye kahin koi dokha  
*Of being deceived*

Hai Dhoka toh khaale  
*Deal with deception if it happens*  
Kabhi to aazmaale  
*But at least give it a shot*  
Jo maine tha kehna  
*Whatever I had to say*  
Keh diya bas Thats it!  
*I've said enough-- that's it*

CHORUS
