

## Kambakht Ishq

Kambakht ishq hai jo, saara jahaan hai voh  
*Love is a curse, the entire world is afflicted/suffers*

Kab aata hai, kab jaata hai  
*when it comes ,when it leaves*

Par rehta hai jab tak yeh kambakht jannat dikhaata hai  
*But as long as it lasts, it is like seeing heaven*

Yeh ishq-ishq himmat hai, yeh ishq-ishq kismat hai  
*Love is courage, love is destiny*

Yeh ishq-ishq taaqat hai, Yeh ishq dil ki daulat hai  
*Love is power, love is the richness of the heart*

--MALE--

Yeh ishq-ishq himmat hai, yeh ishq-ishq kismat hai  
*Love is courage, love is destiny*

Yeh ishq-ishq taaqat hai, Yeh ishq dil ki daulat hai  
*Love is power, love is the richness of the heart*

Yeh ishq na mit paayega, Tu ishq mein mit jaayega  
*Love cannot be killed...but you will die in love*

Hai ishq mein mit na aisa, koi naya janam ho jaisa  
*Love is nothing like dying, it is like a new life*
