Khatiye pe mein padi thi
Aur gehri neend badi thi
I was lying in the bed and in deep sleep
Aage kya main kahun sakhi re
then what to tell my friend
Ek khatmal tha sayana
a clever bug was there
Mujhpe tha uska nishana
his target was on me
Chunri mein gus gaya dheere dheere
he entered my garment slowly
Oo.. oh..Kuchh nahi samjha wo buddhu
that idiot understood nothing
Kuchh nahi socha
he thought nothing
Reng ke jaane kaha pahucha
he crawled and reached somewhere

Ring ring ringa ringa ring
Ring ring ringa Ring ring ringa
Ring ring ringa ringa ring
Ring ring ringa Ring ring ringa
Ring ring ringa ringa ring

Haaye wo sharmaye
oh she was shy
Haaye wo lajjaye
oh she was bashful
Haaye haaye, Kya chupaye
what to hide
Kitna mein tadpi thi
how much I suffered
Kitna mein royi thi
how much I cried

Main to thi acchi bhali

I was good and sound

Kyon bhala soyi thi

why did i fell asleep

Nigode ne mujhko chain lene na diya

that scum never let me rest

Rona bhi chaha to mujhko rone na diya

I wanted to cry but he didn't let me cry

O ho..

Aisi thi us harjaai ki makkari

that drifter was such a cunning

kya keh rahi ho

what are you telling

Mere tan badan mein thi lagi chingari

my body got the spark

Par aise kya thi lachari

but why were you so helpless

Oo ho..

Are haiya haiya ho..

Ring ring ringa

Ring ring ringa

Ring ring ringa ringa ring

Ring ring ringa

Ring ring ringa

Ring ring ringa ringa ring

Haule se gudgudata

gently tickled me

Dil mein hulchul machata

heart was disturbed

Main sharm se thi paani paani

I was shying

ha ha ha

Jo usko dhoondti main

I was the one searching for him

Chupke se wo chhup jaata

he used to hide silently

Aisi thi wo meri kahani

like this was my story

ho ho..

Yun samjhlo khatmal ka shikar hui thi main

I became the hunt for the bug,you understand

Uske aage haar gayi thi main

I was defeated before him
